Ultrasound in Gynecological Emergencies

Training Course

Module Information

Module ID:	000
Module Category:	Basic
Venue:	King Abdullah Medical, Jeddah, KSA
Starting Date:	10 & 11 – Dec – 2023
Duration:	2 days
Time:	08:00 AM – 04:00 PM
Credit Hours:	Under Progress
Presentation Form:	PPT
Style:	Didactic lectures and interactive hands-on training beside final project presentation by each trainee.

Course Director, Instructor & Trainer

Prof. Dr. Ahmed Aboul Fotouh

- Prof of radio diagnosis - Consultant Radiologist KHH-Tabuk-KSA.
- Former Radiology training director, Radiology department Al-Hussein university hospital.
- Faculty of medicine Al-Azhar University, Cairo Egypt.
- Hospital management diploma & Total quality management in health care, American university in Cairo.
- National and international ultrasound trainer in MENA region.

Dr. Raneem Emad Gommsani

- Consultant Radiologist - Body Imager.

Dr. Ramiah Adel Khledi

- Consultant radiologist - Breast & Women's Imaging

Dr. Ayat Hassan Abduljabbar

- Consultant Radiologist - Body Imager.

Target Attendees

- Gynecologists
- Obstetricians Radiologists
- Physicians Ultrasound
- Technicians

Module Description

- The Ultrasound in Gynecological Emergencies course covers essential ultrasound skills for urgent gynecological situations, focusing on diagnostics, transducer selection, and practical pelvic ultrasound techniques. Attendees will learn to identify and interpret critical findings, enhancing their proficiency in managing emergency cases effectively.

Training & Educational Objectives

- Gaining proficiency in ultrasound techniques specific to gynecological emergencies, encompassing machine control, transducer selection, and imaging protocols.
- Identifying and interpreting ultrasound findings related to gynecological emergencies, including ovarian torsion, and other acute pelvic conditions.
- Applying practical skills in patient positioning, transducer placement, and image interpretation to enhance diagnostic accuracy in the context of gynecological emergencies.
